

THINGS TO REMEMBER
(Please review prior to your visit.)

GENERAL

- Free parking will be provided and you will be met by one of our study staff and escorted to the lab.

NOTE: A parent must stay onsite for the study. This will allow us to quickly reach you should we or your twins need you.

MEDICINES

- Please let us know any medications (over-the-counter OR from a doctor) your child took prior to the visit.

FOOD

- Please eat and drink normally, but try not to eat/drink things that will require excessive bathroom visits during scanning. Water, snacks and lunch will be provided.
- Please advise your children to have food/drinks with low sugar and no caffeine.

WEAR

- Shoes must be removed for the scan, so please bring socks if you don't plan to wear them.
- Your child should wear clothes with no metal (regular zippers and buttons on pants are ok). For girls, please wear a bra without underwire. NO zipped hoodies. NO metal sequins, NO metal stitching. NO metal buttons.
- Take off any metal on your child. NO earrings. NO barrettes. NO bobby pins. NO watches. NO necklaces.
- Children should take out hair beads, braids, twists, pigtails, and ponytails. These styles can press on your child's head in the scanner and cause discomfort.

BRING

- Long pants or a sweater for your child (if needed).
- If child wears eyeglasses, please bring his/her prescription information
